

Cole Pickering Editor

USER
MEDIA COMPOSER®

Professional Summary

Highly motivated film graduate who is passionate about blending art and technology to bring a unique perspective to projects. Fluent in all major editing software, allowing me to deliver excellence in a timely manner. Collaboration with peers has provided me the ability to effectively lead and communicate. Maintaining a positive attitude is key to producing exceptional work, which is why I believe it is the best quality anyone can bring to a team.

EXPERIENCE

2020

Wicwood • E-commerce Campaign

Shot and edited two product instructional videos for the client. Had to ensure the product information and techniques were effectively displayed to the viewer. The finished product helped the client move product out of inventory.

2023

Janice + Ben's Baby Shower • Ceremonial

Given a large quantity of media to sort through and organize. Timed photos to the supplied music from the client to help convey the desired emotions. Results were more than satisfactory for the client.

STUDENT PROJECTS

2021

A Thief of Spirits • Editor

Managed extensive footage in a longer format of storytelling. Produced exceptional results in a confined time frame. The film won "Best Narrative Film" at Walker Film Festival.

2021

The Parkour Boys • Editor

Tasked with crafting a montage of parkour performances with complete creative freedom. The result was a refreshing take on the genre that was met with unanimous praise.

2022

Oneiroi • Editor

Pieced together a challenging story with no dialogue or music which required precise editing to effectively tell the story. The attention to detail yielded accomplished results
